St. Anthony's Eco-Commission

We are all so very busy, very, very busy! You know how much we try to do in a day, but are these things really all that important? Couldn't we stop and breathe and just look around. What are we living for? God made this world so beautiful, didn't he make it for us to enjoy? Slow down, and take in the wonders of our earthly home. Appreciate this place, protect it and care for it, we are all a part of the human family. Take a walk by the beach, or stroll in the backyard, listen to those birds sin! Forget you are in a hurry, feel and appreciate God's love. It won't cost you a penny, but oh how much richer you will be.
